Sewing Instructions

Blythe Simple Trapeze Dress

Cutting

1. Print on US Letter at 100% / Actual Size. Check the test square.
2. Cut FRONT DRESS once on the fold.
3. Cut BACK DRESS twice as mirror images.
4. Transfer the grainline and center back opening marks.

Sewing order

5. With right sides together, sew front and back shoulder seams.
6. Finish neckline and armholes with a narrow facing, bias strip, or tiny rolled hem.
7. Sew side seams from armhole to hem. Press seams open or toward the back.
8. Finish center back edges. Add snaps, hook-and-loop tape, or tiny buttons.
9. Hem the lower edge with a narrow hem. Press gently with low heat.

Quality notes

- Use thin doll-scale fabric. Heavy cotton can make the neckline bulky.
- Seam allowance is included on all pattern pieces.
- If your doll body differs from standard Blythe, test in scrap fabric first.
