Cutting & Sewing Instructions

For American Girl style 18-inch doll - Easy Pinafore v1

Cutting list

1. Cut bib, front skirt, two back skirts, two straps, waistbands, and optional pocket.
2. Keep the cream T-shirt separate; it is styling only and not included.

Sewing order

3. Finish top edge of bib and pocket. Attach pocket to front skirt if using.
4. Sew skirt side seams. Leave center back open.
5. Attach front and back waistbands to skirt top edges.
6. Attach bib to front waistband.
7. Fold straps lengthwise, sew, turn, and press. Adult help recommended.
8. Attach straps to bib front and back waistband. Check fit on doll before final stitching.
9. Finish back opening with hook-and-loop tape or snaps.

Parent help notes

- This is harder than the A-line dress. Help with straps, pressing, and closure.
- Test sew in scrap cotton before using final fabric.
